Business Development Groups

The Troy Chamber of Commerce's lead-generating Business Development Groups are industry-exclusive networking groups that can help your business grow.

Gain an extended sales team focused on the creation of long-term value for your business from customers, markets, and relationships. Contact the group chair for category availability. BDG visits are limited to two before submitting for group membership.

Cost of traditional networking groups run \$250-600 a year. A BDG group is free with any membership level! Visits and membership in a group must be approved by the group chair. Troy Chamber membership is required.
